

# Help shape the future of Downtown Rye

Please Join us for a Public Workshop  
**Monday, October 23, 2006, 7 PM**  
Rye Free Reading Room

Help shape the future of Downtown Rye by participating in this important consultant-facilitated workshop event.

- Do you like the CBD's charm, friendliness, sense of community, convenience?
- Do you have concerns about pedestrian safety, mix of stores, parking?
- Do you think Purchase Street should be one way or that three-story buildings should be permitted?

Bring your ideas to the workshop. **This is your chance to participate in Rye's future.**
